BY AUTHORITY

ORDINANCE NO. 15.

AN ORDINANCE REGULATING THE BREAKING UP, DIGGING UP, DISTURBANCE, UNDERMINING AND DIGGING UNDER THE PUBLIC HIGHWAYS, STREETS, THOROUGHFARES, ALLEYS, SIDEWALKS AND OTHER PUBLIC PLACES IN THE CITY AND COUNTY OF HONOLULU.

Be it ordained by the People of the City and County of Honolulu:

Section 1. No person or person, firm or corporation shall, in any manner or for any purpose, break up, dig up, disturb, undermine, or dig under, or cause to be broken up, dug up, disturbed, undermined, or dug under, any public highway, street, thoroughfare, alley or sidewalk, or any other public place in the City and County of Honolulu, without having first obtained a written permit therefor from the City and County Clerk.

Section 2. Any person, firm or corporation desiring a permit to break up, dig up, disturb, undermine or dig under any public highway, street, thoroughfare, alley or sidewalk, or other public place in the City and County of Honolulu shall make application therefor, designating the character and location of such excavation or breaking up, to the City and County Engineer or Road Supervisor or Road Overseer of the appropriate district. The City and County Engineer or Road Supervisor or Road Overseer shall forthwith file such application with the City and County Clerk, with the recommendation of such Engineer or Road Supervisor or Road Overseer as to the time for which such permit shall be granted, and the amount of the bond, if any such bond shall be required as hereinafter provided. The City and County Clerk shall thereupon issue to the person, firm or corporation applying therefor upon the filing of the required bond in the amount so recommended, a permit, limited in time as so recommended, to break up, dig up, disturb, undermine, or dig under, the public highway, street, thoroughfare, alley or sidewalk, or other public place as designated in such application. A separate permit shall be required for each place to be excavated or disturbed, and for each 300 feet in length or fraction thereof of any continuous excavation or disturbance of any such place. If any person or persons, firm or corporation desires such permit for the purpose of laying underground wires for any telegraph, telephone or signal system, the application for such permit shall be made direct to the Board of Supervisors, and as a condition to the granting of such permit the Board of Supervisors may require such person or persons, firm or corporation to furnish to the City and County of Honolulu, and place in position, conduit facilities for the laying underground by the City and County of Honolulu of wires for any police and fire alarm system or signal system for use by the City and County of Honolulu.

Section 3. It shall be the duty of the City and County Engineer, and of the respective Road Supervisor or Road Overseers to oversee and inspect all excavations and other disturbances for which a permit has been granted, and before any such permit shall be issued by the City and County Clerk, the applicant therefor shall pay to the City and County Clerk to cover the cost of such inspection and the issuance of such permit, a permit fee of the sum of fifty cents. All permit fees collected by the City and County Clerk under this Ordinance shall be turned over to the City and County Treasurer at the end of each and every month.

Section 4. The person or persons, firm or corporation to whom such permit has issued shall place sufficient red lights on or near the work covered by such permit, and keep them burning from twilight to sunrise, shall erect suitable railings, barriers or protection about all open trenches shall provide all necessary watchmen on the work by day and night, and shall take such other precautions as may be necessary and proper for the safety and protection of the public, and as will effectually prevent any accident in consequence of the work done under such permit.

Section 5. Whenever required by the City and County Engineer or Road Supervisor or Road Overseer, any person or persons, firm or corporation applying for such permit shall, before such permit is issued, file with the City and County Clerk a bond, to the City and County of Honolulu, with two sureties, in such sum as may be designated by said City and County Engineer or Road Supervisor or Road Overseer. The condition of such bond shall be to indemnify and save harmless the City and County of Honolulu, and the officers and agents thereof, from all claims, demands, suits, actions or proceedings of every name, character and description which may be brought against said City and County of Honolulu, or any officer or agent thereof, for or on account of any injuries or damages to any person or persons, or property, received or sustained by any person or persons, firm or corporation, by or in consequence of any act or acts of the person to whom such permit is issued, or his agents or servants in or about the work covered by such permit, or by or on account of any accident in connection therewith, or by or on account of any violation of any of the provisions of this Ordinance by the person to whom such permit is issued, or by his agents or servants, and to pay to the City and County of Honolulu any penalty recovered against the person to whom such permit is issued or his agents or servants for any violation of the provisions of this Ordinance and any expense which may have been incurred by the City and County of Honolulu by reason of any violation hereof by such person, or by his agents or servants. Sureties on such bonds shall severally qualify before the City and County Clerk in the amount of the penal sum specified therein. In lieu of the bond above provided, the bond of a surety company authorized under the law of the United States to become surety on bonds of public officers, and lawfully doing business in the Territory of Hawaii under the laws of the United States and of the Territory of Hawaii, may be accepted.

Section 6. Any person or persons, firm or corporation, who shall have broken up, dug up, disturbed, undermined or dug under, or caused to be broken up, dug up, disturbed, undermined or dug under any public highway, street, thoroughfare, alley or sidewalk, or any other public place in the City and County of Honolulu, under any permit granted under the provisions of this Ordinance, shall forthwith, after the completion of the work under such permit, place and put such public highway, street, thoroughfare, alley or sidewalk, or other public place in as good repair and condition in every respect and particular as the same was before such breaking up, digging up, disturbing, undermining or digging under, and upon failure so to do, the District Road Overseer or Road Supervisor may cause the work necessary therefor to be done, and the person or persons, firm or corporation to whom such permit was issued, shall be liable for the expense thereof to the City and County of Honolulu, and in addition thereto shall be liable in a criminal action to the penalties hereafter provided for violations of the provisions of this Ordinance.

Section 7. The City and County Clerk shall keep on file all recommendations issued by the City and County Engineer or Road Supervisor or Road Overseer under this Ordinance, and shall keep a duplicate of all permits issued by him hereunder.

Section 8. Any person or persons, firm or corporation, who shall violate any of the provisions of this Ordinance, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by fine not exceeding \$250.00, and not less than \$5.00, or by imprisonment not exceeding three months, or both.

Section 9. This Ordinance shall take effect and be in force from and after the date of its approval.
